

Register of Business Interests for St Thomas of Canterbury Catholic Academies Trust: 1st October 2019

This register is a statutory document for the Trust Board. Where there has been any doubt, the presumption has been in favour of disclosure to support transparency and accountability. It is important that Trustees and staff not only act impartially, but are also seen to act impartially. Trustees have a legal responsibility to avoid conflict between their business and personal interests and affairs and those of the school and to declare an interest likely to lead to questions of bias when considering any item of business at any meeting of the Board.

The SIGNED hard copies of the Register are kept in the Trustees' folder at the registered office, Bishops House, Marriott St, Northampton. The register is reviewed annually. Trustees are aware of the need to declare any changes as and when they occur.
